

Bringing you grass fed beef,
straight from the family farm.

100% grass fed beef

- Never fed grain, only forage-based diets
- 24/7 access to rolling green pastures
- Never receive antibiotics, added hormones or beta-agonists
- Exclusive Never-Ever All Natural Beef program
- Allows cattle to gain weight naturally
- Noticeably increased marbling (Compared to most grass fed beef)

Grown to meet specific quality grades and program protocol

- Steers and heifers only, under 30 months
- Third-party verified
